

2023 HOLIDAY GIVING OPPORTUNITIES

WITH

LORAIN COUNTY CHILDREN SERVICES

Thank you for your interest in helping at-risk children have a merry and bright Christmas. Through the generosity of individuals and organizations, the approximately 600 children on our caseloads always have gifts under the tree. As a public agency, gifts are one of the things we can't use taxpayer dollars for, so your generosity is appreciated not just by the child, but by LCCS staff as well. For most children on our caseloads, gifts provided by the community are the only gifts they will receive.

Sponsor children or a family

If you would like to organize your business or group to support the holiday wishes of a sibling group or an entire family, please call us and we can match you with children/family in need.

Host an In-Person Gift Drive at your location

If you prefer to do an in-person collection at your organization, like a Board Game Collection or Slippers and Shoes collection, we would be thrilled to partner with you and make sure your organization's gifts are distributed to children in need.

Purchase from the online Gift Registry

Purchasing from the online gift registry is an easy and convenient way to make a difference. All gifts will be shipped directly to Lorain County Children Services. Access the registry [here](#) or at <https://www.myregistry.com/wishlist/lorain-county-children-services-elyria-oh/2993303>
